

Curriculum Vitae Kristijan Pavić

Kristijan Pavić, dipl. ing. (graduate engineer), has graduated Maritime Management in 2000 at the Faculty of Maritime Studies in Dubrovnik.

Since 2000 he has been working on the Carnival cruise line (in Miami), as Chief Electronics Officer. In 2006 he was appointed Director of the County Port Authority of Dubrovnik. In 2010 he was set as Director of the Port Authority of Dubrovnik and in 2012 he became Assistant Director of the Port Authority of Dubrovnik, the function which he held until being appointed CEO of Adriatic Croatia International Club d.d. in August 2016.

Since 2011 he is member of the Steering Committee of the Association MedCruise, where he is responsible of finances. In 2016 he was appointed President of the MedCruise Association.

During his career he conducted more development projects including the project of construction of Pier 14 in the port of Dubrovnik, an investment worth 9 million euro.

As guest lecturer he participated at many conferences, among which are also the 3rd International Congress on Mediterranean Trade and Port Cities (in Turkey), at the Adriatic Sea Forum in Trieste and Dubrovnik, at the Costa Brava Cruising Symposium in Spain as well as at the 2nd UNWTO Conference on Destination Management in Montenegro.

He is currently also holding the function of President of the Association of Technical Culture of the County Dubrovačko-neretvanska.
