

Christopher Windsor-Price graduated from South Tyneside College in 2010 in South Shields Masters (unlimited) Certificate of Competency. He is Senior Marine Operations Manager in Marella/Thomson Cruise from November 2016.

He is working within a very lean team as a singular operator and point of failure and has been instrumental in developing and helping the company expand in size. He is also working alongside outsourced Technical and Hotel companies to develop a suitable product, whilst improving the standards of operation across the company.

He started his professional career in P&O Nedlloyd as Third Officer in 2003. From 2003 till 2016 he was working in Carnival UK LTD as Third Officer to Safety Officer, and from March till November 2016 as Compliance and Training Manager in V.Ships Leisure UK.
